ElecTel Cooperative Federal Credit Union is required to comply with the Escheats and Abandoned Property Law of NC (General Statute 116B). This law states that all property held in fiduciary capacity shall be presumed abandoned if there has been no activity within the last 5 years. This law requires that this abandoned property be escheated or passed to the custody of the state.

Effective **September 1, 2015** we will be charging a \$50 escheat fee to surrender any escheated accounts to the state of NC. If you receive our letter concerning an inactive account, please contact us so that you can avoid this fee and we can keep your account active.
