See credit union for details.

The Car Connection was a great experience that I wish I'd known about years ago. This is car-buying as it should be: stress-free, haggle-free, efficient and with a great price. I didn't have to leave my house until my car was delivered to my driveway (within 24 hours, by the way). — *W. Pitsenbarger*

The Car Connection is a FREE and convenient service offered by ElecTel to assist you in the car buying process. No car salesmen, no haggling, no running from dealer to dealer.

1. Select the vehicle and options you want.
2. Call The Car Connection at **1-800-292-2422** and mention your ElecTel membership to receive your quote.
3. Once you decide to purchase from The Car Connection, they will handle preparation of all paperwork necessary for the transaction.
4. Your car will be courtesy delivered to your door through an authorized dealer with all factory warranties.
5. You **WON'T** pay any dealer add-ons or fees for this service. Quoted prices include everything except tax and tags.
