*News and Events for ElecTel Cooperative Federal Credit Union Members*

## Banking just got easier!

Did you know that as an ElecTel member, you have access to over 5,000 shared branches with locations in all 50 states? Many credit unions nationwide are part of the CO-OP® shared branching network of electronically linked branches, giving you, our members, the convenience of making in-person transactions at a location near you.

You can complete most of your regular transactions free of charge at any other CO-OP® shared branching location. You'll be able to make deposits, withdrawals and transfers between accounts. You can also make loan payments and purchase **money orders** and travelers' checks.

It's simple! To complete a transaction at a shared branch, all you'll need to provide is a valid, government-issued photo ID and your account number.

To find a shared branch, check out the CO-OP® Shared Branch locator [co-opcreditunions.org/locator/](http://co-opcreditunions.org/locator/), or download the CO-OP® ATM Shared Branch Locator app and find nearby branches on the go!

# Call for Board Member Nominations

Every year the members of ElecTel are called upon to elect individuals to serve on the Credit Union's Board of Directors.

As a volunteer Director, you will be a vital part of major decision-making processes and will derive a great deal of satisfaction observing the results of your efforts.

The deadline to submit a nomination is February 28, 2019. If you are interested, contact us for more details today!\*
